

ORDINANCE NO. 07-10

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE TOWNSHIP OF HANOVER, COUNTY OF NORTHAMPTON, COMMONWEALTH OF PENNSYLVANIA AMENDING ORDINANCE 02-01, CHAPTER 148, BY ESTABLISHING THE RECYCLING REQUIREMENTS OF HANOVER TOWNSHIP, AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES INCONSISTENT HERewith.

NOW, THEREFORE, BE IT ORDAINED AND ENACTED, by the Board of Supervisors of Hanover Township, Northampton County, Pennsylvania as follows:

SECTION 1. The Supervisors of Hanover Township, Northampton County, Pennsylvania, under the powers vested in them by the "Second Class Township Code" and the "Pennsylvania Municipalities Planning Code," as amended, as well as other laws of the Commonwealth of Pennsylvania, do hereby ordain and enact the following amendment to the Hanover Township Codified Ordinance, as amended.

SECTION 2. Ordinance 02-1, Chapter 148, is hereby deleted and replaced as follows:

§148-1. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

ACT – The Pennsylvania Act 101 of 1988, known as the “Municipal Waste Planning, Recycling and Waste Reduction Act.”

AUTHORIZED COLLECTOR – The person or persons authorized by Hanover Township to make collections of designated recyclables for roadside or drop-off collection in accordance with this chapter and the recycling regulations. An authorized collector shall have a valid Pennsylvania permit and/or license.

COMMINGLED RECYCLABLES – Mixing the following items for curbside recycling collection: glass, plastic, aluminum cans, steel and bimetallic cans, poly-coated paper containers and empty aerosol cans.

CURBSIDE – A location readily acceptable to an authorized collector adjacent to the curb or adjacent to the roadway if there is not a curb where each person affected by this chapter places recyclables for collection.

COMMERCIAL ESTABLISHMENT – Those properties used primarily for commercial or industrial purposes.

DESIGNATED RECYCLABLES FOR CURBSIDE COLLECTION – Those recyclable materials which must be separated from other municipal waste and placed at the curbside for collection according to the recycling regulations established and from time to time revised by Hanover Township.

DROP-OFF CENTER – An area where a person may deposit recyclable materials.

HANOVER TOWNSHIP – The Board of Supervisors of Hanover Township, Northampton County, Pennsylvania, or its duly appointed agent or representative.

HOUSEHOLD STORAGE CONTAINERS – The standardized containers issued by Hanover Township for the purpose of collecting, storing and placing recyclables at the curbside for collection of residential recyclables by the authorized collector.

INSTITUTIONAL ESTABLISHMENT – Those facilities that house or serve groups of people such as hospitals, schools, daycare centers, and nursing homes.

MANDATED RECYCLABLES – Clear glass bottles/jars, colored glass (green and brown) bottles/jars, plastic: PET and HDPE bottles, aluminum cans, steel and bimetallic cans, newsprint, junk mail, magazines, catalogs, poly-coated paper containers, corrugated cardboard (OCC), empty aerosol cans, leaf waste, yard waste, telephone books.

MUNICIPAL OFFICIAL – That person empowered by Hanover Township to issue and from time to time, revise solid waste and recycling regulations.

MUNICIPAL ESTABLISHMENT – A public facility operated by the municipality and other governmental and quasi-governmental authorities.

PERSON – Any individual, partnership, corporation association, institution, cooperative enterprise, municipality, municipal authority, or any other legal entity whatsoever which is recognized by law as the subject of rights and duties.

RECYCLING – The collection, separation, recovery and sale or reuse of metals, glass, paper, yard waste, plastics and other materials which would otherwise be disposed or processed as municipal waste.

RECYCLING PROGRAM – The curbside collection, drop-off center and leaf collection program established by Hanover Township pursuant to this chapter and recycling regulations.

RECYCLING REGULATIONS – Those regulations issued and, from time to time, revised by Hanover Township setting forth specific requirements for the recycling program.

YARD WASTE – Leaves, garden residues, shrubbery, tree trimmings and similar material; this does NOT include grass clippings.

§148.2. Establishment of curbside collection program.

A curbside collection program shall be hereby established for a separate collection of designated recyclables, as defined in the Recycling Regulations, for curbside collection from all residential properties in Hanover Township and residential housing properties of four units or less. This curbside collection program shall not apply to any residential housing properties of five units or more or any commercial, municipal or industrial establishment. All persons subject to the curbside collection shall place them at the curbside at the time scheduled and manner prescribed in the Recycling Regulations.

§148.3. Disposal of recyclables from commercial, municipal and institutional establishments.

All designated recyclables that are required to be kept separate from municipal waste in commercial, municipal and institutional establishments shall either be delivered directly to a recycling drop-off center or picked up by an authorized collector separately from municipal waste, in a pre-arranged manner. All commercial, municipal, and institutional establishments must store materials properly, according to Township codes and/or ordinances, until collection. These collectors must have valid PA permits and/or licenses. All commercial, municipal and institutional establishments must report to Hanover Township on an annual basis on a form prescribed by the Township to be received by the Township on a date set by the Township. All authorized collectors are also required to report to Hanover Township on an annual basis on a form prescribed by the Township. All commercial, municipal and institutional establishments must recycle high-grade office paper in addition to the previously listed mandated recyclables.

§148.4. Protection of household storage containers.

A. The recycling containers provided by the municipality to the residents of

the Township shall remain the property of the municipality.

- B. It shall be a violation of this Ordinance for any person(s) to damage, misappropriate or use for any purpose other than for recycling, the recycling containers provided by the municipality. Each such action in violation hereof shall constitute a separate and distinct offense punishable as hereinafter provided.

§148.5. Mandatory source separation of leaf waste.

All persons who gather yard waste shall source separate such waste and place it for semi-annual curbside collection at the time designated or deliver it directly to a recycling drop-off center as designated by Hanover Township in the Recycling Regulations.

§148.6. Preparation of designated recyclables.

- A. All designated recyclables for curbside collection shall be prepared for curbside collection in accordance with the specifications established in the Recycling Regulations.
- B. The Hanover Township Manager is hereby designated the Municipal Official authorized to issue, from time to time, Recycling Regulations which set forth specific requirements for the recycling program including, without limitation, the designation of authorized collectors and the designation of recyclables to be included in the curbside collection program or drop-off center program, the schedule for curbside collection, the time limits for placing recyclables at the curbside, the specifications for the preparation of designated recyclables for collection, the effective date for the start of the curbside collection of each recyclable item, and the seasonal starting and ending dates for the mandatory source separation of yard waste.

§148.7. Exceptions.

Nothing in this chapter or the Recycling Regulations shall prohibit any resident of Hanover Township from donating or selling any recyclable to any other person whether operating for a profit or not for a profit. Nothing in this chapter or the Recycling Regulations shall require any person to gather leaf waste or prevent any other person from utilizing leaf waste for compost, mulch, or other agricultural, horticultural, silvicultural, gardening or landscaping purpose.

§148.8. Unauthorized collection.

No person other than the authorized collector shall scavenge, remove, take, scatter, or disturb recyclable materials which have been placed at the curbside for collection pursuant to the curbside collection program.

§148.9. Enforcement Program.

The Recycling Regulations shall set forth an enforcement program to periodically monitor participation, receive and resolve complaints and issue warnings. The Township Recycling Coordinator and/or Code Enforcement Officers shall complete random inspections of Residential, Commercial, Municipal and Institutional Establishments to ensure compliance.

§148.10. Unlawful activities.

It shall be unlawful for any person to violate or to cause or to assist in the violation of any of the provisions of this chapter or any provision of the recycling program regulations.

§148.11. Incentives for Recycling

Each year Hanover Township will recognize one small-sized business (1 to 20 employees), one medium-sized business (20 to 50 employees), and one large-sized business (more than 50 employees) for their recycling achievements during that calendar year. If the Township is unable to find one business from each size category, the Township may, at its discretion, recognize more than one in any size category but no more than three businesses in any calendar year. Recognition may include, but not be limited to, a written profile of the business and its programs in the Township's newsletter and on the Township's website, recognition of the business' achievements during a regularly scheduled Board of Supervisors' meeting, and recognition of the business during a special Township event.

§148.12. Recycled Product Procurement Policy

Hanover Township will make a concerted effort to procure and use products made from recyclable materials when available. The Township will also give preferential treatment to vendors who use recyclable products.

SECTION 3. Ordinance 02-1 Chapter 148 is hereby amended with the addition of the following:

§148.13. Preparation of recyclables.

All recyclables for curbside collection or for any public drop-off center shall be prepared for curbside collection or delivery to a drop-off center in accordance with the specifications established in the Recycling Regulations.

§148.14. Recycling Regulations.

- A. The Board of Supervisors of Hanover Township is hereby authorized to issue and from time to time revised regulations which set forth specific requirements for the recycling program. These rules and regulations shall be formally known as the “Recycling Regulations” and shall be adopted by resolution of the Board of Supervisors of Hanover Township.
- B. In addition, the Board of Supervisors of Hanover Township shall appoint a Recycling Coordinator who is authorized to coordinate the recycling program. The Recycling Coordinator may also from time to time issue and revise recycling regulations which set forth specific requirements for the curbside collection of leaves and use of the City of Bethlehem composting site or yard waste. These specific requirements must be adopted by resolution of the Board of Supervisors before they become part of the regulations. The Recycling Coordinator shall also receive the reports showing the quantity of materials recycled as required by this Ordinance and the regulations.

§148.15. Ownership of Recyclables.

- A. Once the recyclable items are placed at the curbside by persons living in homes, multifamily housing, rental housing properties with four or less units, and other residential establishments not otherwise classified by this Ordinance, they shall become the property of the person authorized by the municipality to collect the recyclable materials. The regulations to this Ordinance shall specify who is authorized to collect the recyclables under the current program.
- B. Nothing in this section or this Ordinance or the regulations shall impair the ownership of recyclables by the persons who generate them nor interfere with any other existing recycling program, unless and until the recyclables are placed at the curbside or similar location as specified in the regulations to this Ordinance. However, the original owner of the recyclables may retrieve all or part of the recyclables from his/her own curbside before the time of collection. There shall be no penalty applied under the enforcement provisions of this Ordinance if he/she chooses to do so.
- C. Nothing in this Ordinance or the regulations shall prohibit any person from donating or selling any recyclable. Nothing in this Ordinance or the regulations shall prevent any person from utilizing yard waste for compost, mulch or other agricultural, horticultural, silvicultural, gardening, land-scaping purposes or other purpose not otherwise prohibited by law.

§148.16. Method of Collection.

- A. The municipality shall advertise to persons required to recycle by the Act and this Ordinance any requirements in regard to the frequency and manner of collection required under the current program. The municipality may also require authorized collectors to advertise information concerning their collection program to applicable persons in Hanover Township. The authorized collectors are required to report information concerning the materials collected to the Township Recycling Coordinator. The authorized collectors shall be notified by the Township authorities of the information which they are required to report. The municipality may require persons to arrange for the collection of their own recyclables with authorized collectors. The regulations shall outline the current requirements.
- B. If the municipality so chooses, it may enter into an agreement(s) with public or private agencies or firms to authorize them to operate or administer all or any part of the recycling program mandated by this Ordinance.

§148.17. Unlawful Activities.

It shall be unlawful for any person to violate or to cause or to assist in the violation of any provision of this Ordinance or any provision of the regulations. No person shall scavenge, remove, take, scatter or disturb recyclable materials which have been placed by persons at the curbside for their collection by authorized collectors pursuant to the curbside collection program, or deposited at a drop-off center.

§148.18. Violations and Penalties.

- A. The Township Recycling Coordinator will receive complaints regarding violations to this Ordinance. Any person violating a provision of this Ordinance or a regulation pursuant thereto shall be given a written notice thereof from the Code Enforcement Officer, upon recommendation by the Township Recycling Coordinator or Township Manager. The said notice shall give the person a period of 30 days to comply with the provisions of the said Ordinance or the said regulations. If, after receipt of such notice, the person continues to violate the provisions of the said Ordinance or the said regulations, the said person shall be prosecuted as provided below.
- B. Any person violating any of the provisions of this Ordinance shall be prosecuted in the manner provided by law before a District Magistrate and, upon conviction of such violation, shall be subject to a fine not in excess of the sum of \$300 together with the cost of prosecution. Each day on which such a violation or violations occurs and each day on which such

violation or violations continue to occur shall be considered as a separate offense for each and every day of such violation. Upon failure of the person so convicted to pay the fines so imposed, confinement shall be ordered in the Northampton County Prison for a period of not less than three days and not in excess of 30 days. All portions of the fines to the Township for violation of the Hanover Township Recycling Ordinance and/or regulations applicable shall be paid to the Township of Hanover and shall be earmarked to be spent on the administrative costs of the Hanover Township Solid Waste Management Program and the Hanover Township Recycling Program.

§148.19. Noninterference with Existing Contracts.

Nothing contained in this Ordinance or its regulations shall be construed to interfere with or in any way modify the provisions of any existing contracts which are in force in the Township on the effective date of this Ordinance.

§148.20. Recycling Regulations – Short Title.

These regulations, to be effective on December 1, 2007, shall be known as the “Hanover Township Recycling Regulations,” and may be referred to as the “Recycling Regulations”.

§148.21. Definitions.

As used in this Ordinance, the following terms shall have the meanings indicated:

BROWN PAPER – Single or multilayered brown craft bags/paper free of objectionable liners and content; grocery bags free of food contaminants, waxes, laminates or other non-bag waste such as plastic handles, stitching, hot melt glues, twine, metal or plastic liners.

GREY PAPER – Boxboard/chipboard of single-walled construction. Boxes include cereal boxes, cracker boxes, pizza boxes, egg cartons, etc.

THIRD CLASS MAIL – Paper products only, including envelopes (with or without windows), flyers, brochures, advertisements, folders and postcards.

YARD WASTE – Materials such as brush, branches and tree and shrub trimmings.

§148.22. Homes, Multifamily Dwellings with Four Units or Less.

This section establishes a recycling program for persons living in homes, multifamily housing, rental housing properties with four or less units, and other

residential establishments in Hanover Township not otherwise classified by the Hanover Township Recycling Ordinance.

A. Outline of Program

- (1) Act 101, The Municipal Waste Planning, Recycling and Waste Act regulations items from a list that includes the following: clear glass, colored glass, aluminum, steel and bimetallic cans, high-grade office paper, newsprint, corrugated paper and plastic. Ordinance 02-1 Chapter 148, The Hanover Township Recycling Ordinance, specifies that the Township will name the items to be recycled in the regulations accompanying the Ordinance. The items to be recycled must include at least three items from the list part of Mandated Recyclables in Chapter 148.1 of Ordinance 02-1.
- (2) In order to procure the greatest benefit for the community,
Hanover Township has established a comprehensive recycling list. The recycling program benefits the community by conserving landfill space and conserving our natural resources through the reutilization of recyclable materials. Therefore, as of the effective date of these regulations, the persons listed under this section shall be required to exclude the following items from their municipal waste: aluminum, clear glass, colored glass, corrugated paper, junk mail, magazines, telephone books, bimetallic cans consisting of aluminum and steel, plastics: PET and HDPE, newsprint, leaf waste and other yard waste. The yard waste will be included as recyclable items on a seasonal basis only. The period during which these items shall be recycled will run from the beginning of May through the end of October each year, or at other dates as advertised by the Township.
- (3) The persons listed under this section must separate yard waste from other municipal waste. Hanover Township may provide yard waste collection at limited times as authorized by the Board of Supervisors. At other times, persons shall provide their own transportation of such waste to the composting site provided by Hanover Township through the City of Bethlehem or use the yard waste for any purpose not prohibited by law. Specific instructions in regard to the collection times and preparation of leaf waste for collection shall be set by the Township Manager.
- (4) Collectors shall furnish weight receipts for all residential recyclables collected with the annual recycling report to the Recycling Coordinator. The Recycling Coordinator may require other information, as needed, to enhance recycling performance

and to comply with DEP requests for information, as well as information needed by the Township, to obtain grants for the recycling program.

- (5) Persons participating in a curbside collection program under this section shall recycle in conjunction with the program provided by Hanover Township. Once the recyclables are placed curbside, they become the property of the licensed hauler authorized to collect them. The licensed hauler shall collect and market for recycling the recyclable materials it collects from its residential curbside recycling service to residential customers. The hauler shall market for recycling all of the materials required to be recycled under this section of these regulations. The hauler shall landfill any recyclables, which are received at the point of collection in a contaminated condition that makes them unmarketable. Failure to comply with any of these provisions is a separate violation of the regulations and may be construed as a separate violation for each time the violation occurs or every day upon which the violation occurs.

B. Preparation of Recyclables

- (1) The recyclables, which are to be collected by a hauler contracted through Hanover Township, shall be placed in a container marked in such a way that it will be plainly evident that the contents of the container are recyclable materials. All recyclables shall be commingled in the recycling container with the exception of newsprint, junk mail, magazines, catalogs, corrugated cardboard and yard waste.
- (a) Newsprint should be bundled with twine and tied in neat, flat bundles not exceeding 12 inches in height.
 - (b) Third class mail should be bundled and bagged (brown paper bags only) separately and if bagged, labeled "third class mail".
 - (c) Magazines may be bundled with twine in neat, flat bundles not exceeding 12 inches in height or they may be bundled and placed in brown paper bags.
 - (d) Corrugated boxes should be flattened and bundled together. The bundles must not be larger than two feet by two feet.
 - (e) Brush shall be tied in bundles not to exceed three feet in length or 50 pounds in weight.
- (2) The Township Manager shall establish policies for the preparation of yard waste and its collection in Hanover Township.

- (3) Paper items should not be placed outside unprotected if rain is expected at the time of collection. In the event of rain, any paper should be bundled and stored in a covered container labeled in such a way that it will be plainly evident that the contents of the container is recyclable materials.
- (4) The recyclable materials are to be prepared as follows: rinse out all bottles, jars, pie tins and cans and remove all lids and caps. The glass to be collected shall include clear, green and brown (broken glass, light bulbs, window glass, plate glass, drinking glass, heat resistant oven wear, crystal, ceramic, porcelain, laminated glass, wired glass, blue glass, milk glass, automobile glass and mirrors are not considered recyclable glass for the purposes of the Hanover Township recycling program).

C. Frequency of Collection

The frequency of collection for these materials, other than yard waste, by a designated hauler of Hanover Township shall be biweekly. Yard waste will be collected, as needed, on a seasonal basis.

D. When Recyclables are placed out for collection

The recyclables shall be placed out at the curbside no earlier than 6:00 PM the night before the scheduled day of collection.

E. Containers

Hanover Township shall make available one recycling container to each household participating in the program (i.e., persons living in homes, multifamily housing, rental housing properties with four or less units, and other residential establishments not otherwise classified). Additional containers may be available from the Township. In the event that containers are not available from the Township, the persons participating in this program shall supply their own containers. Such containers shall have no greater than a thirty-five-gallon capacity. The container shall be labeled plainly in lettering no smaller than two inches indicating that the container contains recyclable materials.

§148.23. Multifamily Rental Housing with Five or More Units.

This section establishes a recycling program by the owner, landlord or agent of an owner or landlord of multifamily rental housing programs in Hanover Township with five or more units.

A. Outline of program

- (1) Act 101 requires that at least three items be chosen from the following list to be recycled at multifamily rental housing properties: clear glass, colored glass, aluminum, steel and bimetallic cans, high-grade office paper, newsprint, corrugated paper and plastics (PET and HDPE). The Township hereby requires that all of these items be recycled. In addition, brown paper, grey paper, poly-coated paper containers, empty aerosol cans, telephone books, magazines, third class mail, leaf waste and other yard waste are hereby added to the items required to be recycled. The owner, landlord or agent of an owner or landlord shall set into operation a collection system for these recyclables. The program for recycling yard waste may be conducted on a seasonal basis.
- (2) The owner, landlord or agent of an owner or landlord of multifamily housing properties with five or more units, shall provide for the Hanover Township Recycling Coordinator an accounting showing the number of pounds or tons of recyclable materials marketed during the calendar year. The weight for each recyclable item shall be kept separately. Weight receipts should be collected and saved as documentation for the tonnage recycled. The owner, landlord or agent of an owner or landlord shall be required to report this information concerning the recyclables listed above to the Township Recycling Coordinator.
- (3) If the owner, landlord or agent of any owner or landlord hires a hauler licensed in Pennsylvania to perform all or part of his recycling, the licensed hauler shall report information concerning the material recycled to the Hanover Township Recycling Coordinator, in the same manner as required for residential collection. The owner, landlord or agent for an owner or landlord shall report information concerning material recycled other than that collected by a licensed hauler.

B. Frequency of Collection

The owner, landlord or agent for an owner or landlord shall provide for recyclables, other than seasonal items, to be collected and transported to recycling facilities at least once per month.

§146.24. Commercial, Municipal and Institutional Establishments; Community Activities.

This section establishes a recycling program by commercial, municipal and institutional

establishments and at community activities in Hanover Township.

A. Outline of Program

- (1) Act 101 of 1988 requires that commercial businesses must separate high grade office paper, aluminum, cardboard and leaf waste for recycling and other materials deemed appropriate by the municipality.
- (2) The following items shall be recycled by commercial, municipal or institutional establishments and at community activities organized by these institutions: high-grade office paper, aluminum, clear glass, colored glass, cardboard, third class mail, magazines, telephone books, brown paper, grey paper, bimetallic cans consisting of aluminum and steel, plastics (PET and HDPE), newspaper, leaf waste and other yard waste. The program for recycling leaf waste and other yard waste may be conducted on a seasonal basis.
- (3) The commercial, municipal or institutional establishment must arrange to have an individual or a company licensed in Pennsylvania as a hauler to transport its recyclables to a processing center or a market; the commercial, municipal or institutional establishment shall report this information to the Recycling Coordinator in a quarterly recycling report on a calendar-year basis. A summary annual report may also be required at the end of the year. The establishment should also maintain weight receipts to document the weight of recyclables marketed or instruct its hauler to maintain these records. The Recycling Coordinator may request copies of these receipts in order to document that the recyclable materials have been marketed.

B. Frequency of Collection

Commercial, institutional and municipal establishments shall provide for recyclables, other than seasonal items, to be collected and transported to recycling facilities at least once a month.

C. Reporting

Any licensed hauler that collects recyclables at commercial, municipal or institutional establishments located in Hanover Township shall be required to furnish a quarterly recycling report to the Township unless otherwise instructed by the Hanover Township Recycling Coordinator. The report shall contain the approximate weights and types of recyclables collected at

these facilities. The report shall contain the approximate weights and types of recyclables collected at these facilities. The licensed hauler shall provide weight receipts to the Recycling Coordinator on an annual basis to document the materials recycled. If for any reason the licensed hauler fails to report for his recycling customer, it shall become the responsibility of the commercial, municipal or institutional establishment to provide a report concerning the weight and types of the materials recycled to the Hanover Township Recycling Coordinator for its recycling performance which occurs after such notification is given.

§146.25. Community Activities.

Community activities which are organized by persons other than commercial, municipal and institutional establishments are encouraged to recycle those materials appropriate to that particular activity.

§146.26. Education Program.

Hanover Township shall establish a comprehensive public information and education program concerning the recycling program. At least once every six months, Hanover Township shall advertise the requirements of the Ordinance to all persons occupying residential, commercial, institutional and municipal premises within the Township. Such advertisement may be completed through any combination of mailings, public postings, community information programs and newspaper/newsletter articles or advertisements.

§146.27. Reporting General Requirements.

- A. Authorized collectors in Hanover Township shall provide information as requested by the Hanover Township Recycling Coordinator which is reasonably designed to show that the recyclables collected in Hanover Township have been marketed for reuse rather than land filled with municipal waste. The Township shall receive a recycling report annually from each collector signed by an authorized representative to certify its accuracy. Weight receipts are to be furnished with the report, along with a summary showing the weight on each receipt and a total weight of all the materials recycled during the year.
- B. Upon the request of the Recycling Coordinator, any collector in the Township shall disclose to the Township the names and addresses of its recycling customers within Hanover Township.
- C. The hauler shall provide written documentation of the tonnage of recyclables marketed to the Recycling Coordinator in sufficient detail so that the Township may meet the standards of the Department of Environmental Protection for its annual reports required of the Township,

as well as for completing DEP recycling grant applications.

SECTION 4. All Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

SECTION 5. The provisions of this Ordinance shall be severable and if any provision thereof shall be declared unconstitutional, illegal or invalid, such decision shall not affect the validity of any of the remaining provisions of this Ordinance. It is hereby declared as a legislative intent of the Township that this Ordinance would have been enacted had such unconstitutional, illegal or invalid provision(s) not been included herein.

SECTION 6. This Ordinance and its regulations shall go into effect on October 1, 2007. No enforcement of the provisions of this Ordinance or its regulations shall be made until December 1, 2007.

ENACTED AND ORDAINED at a regular meeting of the Board of Supervisors
of the Township of Hanover, County of Northampton on this _____ day of _____,
